

## JOHN BERGERON SCHOLARSHIP

The John Bergeron Summer Research Scholarship provides an undergraduate student (U1-U3) in Anatomy and Cell Biology the opportunity to conduct a 12-week paid summer research project with a professor in the department. At the end of the summer, the student is encouraged to present their results in a lab meeting and consider participating in the Undergraduate Research Conference.

Applications are reviewed and evaluated by a selection committee of professors. Previous recipients of the scholarship are NOT eligible to apply.

**Submission Deadline:** Thursday, April 3, 2025, at 11:59 PM EST

**Submit to:** [macss.presidents@gmail.com](mailto:macss.presidents@gmail.com)

### OUTCOMES:

- ☐ Learn proper laboratory techniques and troubleshooting skills
- ☐ Develop critical thinking in experimental design and data interpretation
- ☐ Practice communicating research findings effectively
- ☐ Gain insight into the scientific research process

**STUDENT STIPEND:** \$2,000 from MACSS + \$2,000 minimum contribution from the faculty supervisor = Total of at least \$4,000 for 12 weeks of research.

### ELIGIBILITY CRITERIA:

- ☐ Minimum B+ (3.3 cGPA) average
- ☐ Secure a faculty supervisor from the Anatomy and Cell Biology department ([Eligible supervisors](#))

### APPLICATION CHECKLIST:

- ☐ Research Proposal (300 words) – Include the supervisor's name (that has signed off on their contribution to the stipend + the project proposal)
- ☐ Statement of Purpose (1 page) demonstrating interest in cell biology research, including:
  - ☐ Previous research or relevant work experience
  - ☐ Research interests
  - ☐ Academic and/or professional goals
- ☐ Transcript (unofficial or official)
- ☐ Curriculum Vitae (CV)

**DEADLINE AND SUBMISSION:** Please email your complete application to [macss.presidents@gmail.com](mailto:macss.presidents@gmail.com) by **11:59 PM EST on Thursday, April 3, 2025**. Please include your name and McGill ID in the email.
